## Mentoring Programs

Our students have officially started their Rehberlik (mentoring) groups and are staying in the dorm under a structured schedule designed to support both academic and personal growth. The dorm system includes a dedicated 2.5 hours for study hall, balanced time for free activities, and Rehberlik sessions to foster personal development.

## October Activities/Events

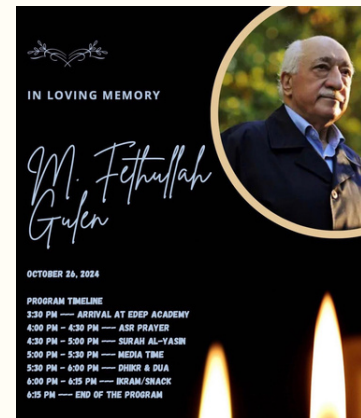

### BOWLING

### CLAY MAKING

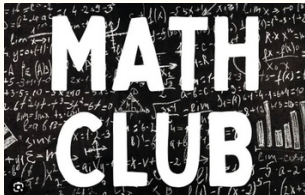

### PRAYER PROGRAM

After school clubs  
have begun!

## MathCounts Club

## Hand Crafts

## Volleyball

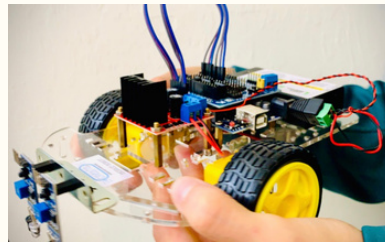

## Badminton

## Guest Speaker

This month, Sister Rveyda, a senior in NJIT's Computer Science Program, gave us a wonderful speech on the "Importance of Avoiding Backbiting and Rumors, and Their Negative Effects." We are very grateful for her time and the knowledge she shared with us!

## Robotics

## Homework Club

## Students of the Month!

1. Emel Haydar
2. Eslem Yerlikaya
3. Selma Gurler

Congratulations  
for your hard  
work!
