## "Edep Academy Launches the 2024-2025 School Year with Excitement"

On the opening day of the 2024-2025 academic year, our principal, Mr. Asim Kaban, and school counselor, Mr. Erol Dincer, warmly welcomed students and staff. They delivered an informative presentation, outlining the school system and important rules that will guide the year ahead. Their insights set the tone for a successful and well-organized school year, emphasizing the values and expectations that define our Edep Academy community.
