MENTORSHIP(REHBERLIK) PROGRAM HOME VISITS

As an Edep Academy Rehberlik, it brings us great joy to share the highlights of our November-December home visits. These gatherings were a perfect blend of mentorship, learning, and community, leaving us with cherished memories and deeper connections.

Our families graciously hosted our groups, offering not only their homes but their warmth, delicious dinners, and unmatched hospitality. These visits became more than educational sessions; they were experiences enriched by the generosity and care of our hosts.

The mentorship sessions centered on essential aspects of Salah, providing an opportunity for our students to deepen their understanding of this cornerstone of faith. Topics included:

- Faraid (Obligatory Acts) Within Salah
- Faraid Outside of Salah
- The Sunnahs of Salah
- Tadili Erkan (Observing Proper Postures and Tranquility in Salah)

Through these discussions, students and mentors explored the significance of these elements in perfecting their prayer and ensuring it aligns with the guidance of our faith.

These gatherings were not just lessons but opportunities for spiritual growth and personal reflection, all set in the warmth of a family environment. The bonds formed and the knowledge shared during these visits will surely resonate for years to come.

A heartfelt thank you to every family who hosted us—you have left an indelible mark on our journey. Together, we continue to build a community rooted in faith, knowledge, and mutual respect.
